

Student Discovery Tools

PCP	Person Centered Planning	This is a visual meeting that is facilitated by a neutral party and is generally held after school at an off district site. It focuses on the student's hopes and dreams for the future and helps to create a plan of action to achieve those goals.
VISIT	Visual Interactive Support in Transition	This is a visual tool used during the school day to help support students, families and the staff in planning for the student's education time with purpose and focuses on the future goals. This meeting may be requested by the student, family or staff and is led by a neutral facilitator.
AEPT	Adult Employment Profile Tool	The AEPT is a visual tool used by the vocational staff at the high school and 18+ levels to collaborate with the student and family in assessing the employment needs of the student.
